PREPARATION GUIDELINES

PFM ANTERIOR

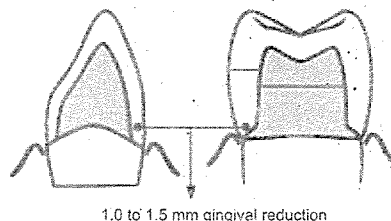

PFM POSTERIOR

Preparation must be parallel to occlusal surface.

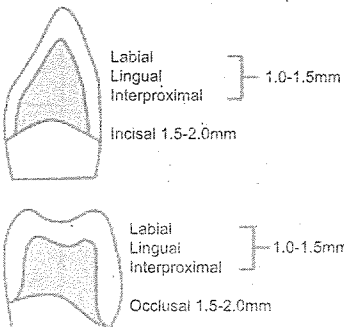

- A. 1.5mm buccal and lingual reduction
- B. Buccal and lingual wells must be convergent to ease hydrostatic pressure build-up of cements while seating crown.
- C. Preparation should be cut in three planes.

PFM PORCELAIN LABIAL/BUTT MARGIN

ALL PORCELAIN CROWNS

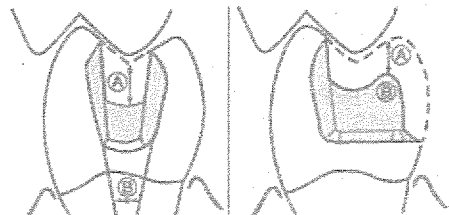

ALL-CERAMIC/COMPOSITE VENEERS

A. 0.5 to 1.0mm labial reduction

INLAY

ONLAY

- A. 1.5 to 2.0mm occlusal reduction
- B. Round all sharp line angles occlusal edges and eliminate undercuts.

CRN DENTAL TECHNOLOGY TERM & POLICIES

TERMS: Net 30 DAYS, 2% SURCHARGE OVER 30 DAYS.
Accounts not paid within the stated terms will be subject to C.O.D. status and a late charge 2% of the unpaid balance.
Persons signing this authorization – Accepts sole responsibility for payment. Prices subject to change without notice. All cost for collection on any account will be the responsibility of the debtor. All accounts must remain current.

WHAT IS COVERED:

Dentist should inspect product prior to acceptance. Failure to notify and return product within 10 business days should constitute acceptance. Other forms of acceptance include, but are not limited to, cementation of product, requesting change of shade, change of preparation or bite, or design modification of any sort.

When Dentist requests remanufacture of a product, Dentist agrees to resubmit all original goods including but not limited to original impressions, models and restorations. CRN must have original goods to assess possible restoration replacement or repair cost to dentist and to determine if original product is repairable or necessitates remanufacture.

WARRANTY

PORCELAIN FUSED TO METAL: 2 YEARS
As long as all instructions are followed on invoice. Restoration or prep is not changed or damaged in anyway.

FULL ZIRCONIA CROWNS: 5 YEARS
As long as all instructions are followed on invoice. Restoration or prep is not changed or damaged in anyway.

ALL PORCELAIN: 2 YEARS
As long as all instructions are followed on invoice. Restoration or prep is not changed or damaged in anyway.

REMOVABLES: 6 MONTH
As long as all instructions are followed on invoice. Restoration or prep is not changed or damaged in anyway.

MARYLAND BRIDGE:
Porcelain to Metal is covered by CRN warranty policy.
Zirconia and Emax are not covered by CRN warranty

WHAT IS NOT COVERED:

IF CRN CALLS AND INFORMS THE DENTIST, OR DENTAL ASSISTANT OF A PROBLEM WITH THE CASE AND THEY GIVE US PERMISSION TO PROCEED, IT WILL BE NOTED. IF THE CASE COMES BACK AS A REDO WITH INSTRUCTIONS NOT FOLLOWED, FULL CHARGE WILL BE APPLIED.

***CRN DENTAL TECHNOLOGY WILL NOT PROVIDE A CASH REFUND. COMPANY CREDIT MAY BE ISSUED AFTER REVIEW AND ACCEPTANCE BY THE LABORATORY.**
